Pride-N-Joy is located just ten minutes casual walk from the sea front and a maximum walk of fifteen minutes from the main shopping area, which contains a main Post Office, GP's Surgeries, many of the major Banks and shops such as the Morrison Express, Iceland, and many more.

This four roomed apartment obtained a 3 Star from Visit England.com and a National Accessibility Scheme (NAS) Mobility rating of M3A Assisted wheelchair user, making it the highest in Bridlington. The areas are described in more detail below with pictures where possible to show quality of the conversion and modification undertaken.

On arrival your party will be offered a courtesy mug of tea or coffee and assistance with your luggage.

Living Room

The living room contains entertainment equipment, including a TV with 40" HD LCD screen and built in free view. We have also included a Blu-Ray / DVD Player, just in case there is nothing on. On the other side of the room is a PC with Broadband up to 75Mb/s download (Broadband, additional cost, selected

computer for ease of access. In addition, to the three seated, double bed settee and a fitted in wardrobe for those sleeping in the front room. The living room like the bed room contains a socket for the under mattress Fire alarm for the deaf and every room has a red flashing light for during the day, which indicates the fire alarm is active.

Hallway

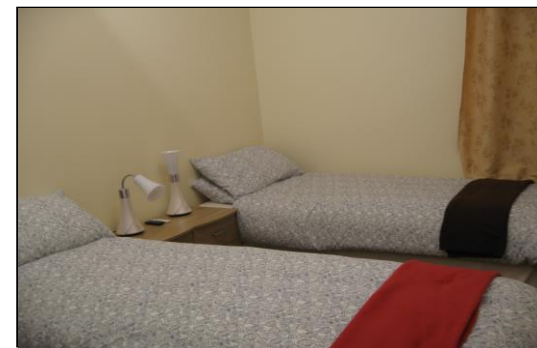

With its gentle slope down into the Dining Kitchen Area, this means that guests sleeping in either front room, or bed room, can access the rest of the apartment without disturbing the other members of their party.

when booking). Therefore, if you fancy a quiet night in with your feet up in front of the box, or you wish to surf without having to put on your wetsuit, you can do so. We have placed the £1 electric coin meter at the side of the

Bed Room

With two single 2ft 6" electric beds (as shown here) that on request can be put together to make a double. This modern looking bedroom along with its beds, has a fitted in wardrobe, two bedside units each with a flexible tulip head bedside lamp, which along with the main light in the room have remote access to turn them off and on. In addition, this room like the "Living Room" contains two plug in points Fire Alarm sockets for the under mattress alarms for the deaf.

Dining / Kitchen Area

The Dining / Kitchen Area like the rest of the establishment is well equipped with an integrated Dishwasher, Larder Refrigerator, Microwave, Toaster, full size electric Oven, Table Top Freezer and gas Hob. In addition, a Washer / Dryer is available for your use.

Wet Room

Designed to comply with the recommended disability standards. It is complete wheelchair accessible and lets you wheel into the shower then transfer onto the shower chair. You can swop between the wall mounted, or hand held shower head. Although the toilet is of a standard height, we have toilet seat extensions for hire.

Other

devices for hire are two Mobility/Scooters and an adjustable Bed side Table and an Audio Intercom, plus more!

Garden Area

Outside we have a wooden gazebo constructed with seating and tables. Therefore giving you the opportunity to eat outside if you wish.
